WE RISE TOGETHER!

2020 November Appeal

It's time to reset! Time to refocus, recommit and rebuild. Time to put behind the challenges of 2020 and move into an exciting and blessed 2021!

Together, we can leave behind the doom and gloom, and embrace the future God has for us!

It's time to look up! We can't climb if we're always looking down! Let's all lift our heads and together rise up. Our God is a God of new beginnings! Let's mark a new beginning with steps of faith and trust.

Please give to our November Appeal so we can continue proclaiming the only truly life-changing Good News. Help us spread the truth and love of Jesus right across the Central Coast and beyond.

We can't do it without you! We Rise...Together!

Annual General Meeting

Our 2020 AGM will be held on Tuesday night, November 17th, starting at 7:00pm.

It will take place in the Living Room of Coast Community Church, 22 Adelaide St, Tumby Umbi.

This year due to COVID-19 restrictions you'll need to pre-register, so we know how many people we need to accommodate. Do this by clicking the link on our website, or by phoning the office in advance of the AGM.

All current financial members are invited to join us on this night to hear what's been happening over the last 12 months, and our plans for the future.

It's your chance to meet the directors, management and team, get your questions answered, and give your input into our future direction.

This is your Christian radio station, and we'd love you to be involved! Come along and be an active participant in Rhema Central Coast.

What's Happening?

- **CBM Miracles Day**

Thank you Central Coast! CBM Miracles Day in August was a great success, with over 42,000 sight-restoring cataract surgeries funded nationally, with our fantastically generous Central Coast listeners digging deep to cover the cost of 372 miracles! We love how you get behind these wonderful partnerships that we have with ministries reaching those in great need!

- **Christmas Activities**

At this stage we don't have any of our usual Christmas activities planned. Favourites like The Road to Bethlehem have been cancelled, and churches are still working out what they can do about carols and other presentations. Even our promotional stand at Erina Fair in December looks doubtful. So we're on the lookout! If you have something happening that we can safely be a part of just let us know and we'll see what's possible!

- **Dooralong is Back!**

Yes! With some easing of COVID-19 restrictions we have been able to recommence our inspiring Dooralong Stories of Transformation. You can hear them every second Wednesday morning from 10am with Phil Rogers.

Tune in, be blessed, be inspired, and give glory to Jesus for lives changed!

Got tech skills? Got time?

We're looking for some people to volunteer to help us out in a few technical areas.

If you've got experience in any of these areas, and you'd be willing to give us some of your time, lets' talk!

- Website development & maintenance (Wordpress experience preferred)
- Computer & network support
- Office 365 technical support (implementation & maintenance)
- Graphic design and production
- Audio & video editing & production
- Photography & videography

Your involvement would be very flexible, depending on what you've got to offer. Contact us by emailing mail@rhema.cc and tell us about your mad skills!

You could be a vital part of this exciting life-changing ministry, and help us do what we do even better!
