

AIRWAVES

May 2021

rhema.cc

Welcome to our new edition of Airwaves. Grab a cuppa, read & enjoy!

It's Fresh!

Yes, after many years of airing Bob Gass's "The Word for Today" (TWFT) daily devotional spots on air, and distributed the printed booklet each quarter, we've made the switch to "Fresh", written and voiced by well known Bible teacher Berni Dymet.

We know many of you love TWFT, but as you'd be aware Bob Gass passed away a couple of years ago, so there will be no more new content being produced by him.

We're sure you'll find Fresh a worthy successor, and you'll grow to love it just as much. Berni is a gifted communicator, and his voice is well known on our airwaves through his weekly "Christianity Works" program and regular "Just a Minute" short spots throughout the week.

The Fresh devotional booklet is loaded with insightful and inspiring content that will get your days off to a great start!

If you'd like a sample of the Fresh daily devotional booklet just pop us an email or call the office and we'll pop one in the mail for you.

This is Fresh Too!

Thanks to an Energy Efficiency Grant that we received from the Department of Industry, we've been able to give our 8x1m illuminated building sign a freshen up as well!

It's now running on energy efficient LED tubes, and has a light sensor switch built in so it only lights up when it's dark! It looks great during the day, but at night it really shines! ☺

It's certainly eye-catching for the passing traffic, and those motorists held up at the notorious Karalta Rd roundabout. Drive by and take a look!

Thanks to Janelle Knox for the design and Formation Signs & Plastics for building and installing it.

What's Happening?

- **Even the Van got a Refresh!**

Thanks to the crew at Signarama Erina, our promotional van is now rocking a new vinyl wrap! And it's looks fabulous!

Classic black and white makes it a wonderful mobile billboard for us when we're out and about.

And many thanks to Aaron from Coastech Auto Electrical and Steve from Gosford City Mechanical for keeping the van going! Your support is so appreciated!

- **June Appeal 2021**

It's hard to believe that June is almost upon us! This years theme is **"Believe For It!"** Again we'll be relying on our heavenly Father and you, our listeners and supporters, to provide the financial resources we need to keep going and keep growing!

Without you, Rhema Central Coast just couldn't continue. It's a partnership and you play a vital part!

We're still working out the details of what we'll be able to do this year, as pandemic restrictions keep changing, but we're hoping to have some studio open days so you can come in and visit us. Bring the kids and see what goes on behind the scenes! Stay tuned and we'll let you know more as we work it out.

Who'll put their hand up to help?

Would you love to be help your Christian radio station? We'd sure love to have you as part of the team! We have two urgent people needs:

1. Reception/admin Volunteers: to do basic front-office work, like answering the phone, greeting guests, processing payments, making cups of tea & coffee, and generally being a happy smiling face! It's pretty simple and we provide full training. Even if you've only got a few hours a week we can make it work. Ideal for fitting in between the school kids drop off and pick up!
2. Volunteer Announcers: Discover your inner DJ! If you've got the desire and the voice, we can give you the training and guidance to get you on the air. Get in touch and we'll have a chat, do a voice test, and get you started. You can do as little as one 3-hour shift a week, so it's a great way to have some fun, develop some new skills, and make a difference in the lives of our listeners.

How to keep in touch!
