2022 - BRING IT ON!

“I don’t know what the future may hold, but I know who holds the future!”

Ralph Abernathy

I think we’ve all had enough of uncertainty. Two years of ever-changing protocols, restrictions, conflicting advice and loudly expressed opinions.

As we launch into 2022, let’s focus on the future and the hope we have in Jesus! He is the rock, the strong tower, the firm foundation on which we can build a secure, peace-filled, and confident personal and family life.

God has a plan for your life. *And its good!* Nothing the enemy or this world can bring against you can change that. Nothing can derail you unless you allow it to.

Dig into scripture, spend time with Him, listen to music that lifts Him up, and face 2022 with strong faith!

It's time to...

MOVE!

2021 November Appeal

Thank You for Standing with Us!

During November we shared with you our belief that God is calling us to look for a new home for Rhema Central Coast. Our place at Erina, where we have been for over 10 years, just isn’t big enough to contain the vision that God has laid out before us for the future.

Thank you for confirming our belief by giving to our **“It’s Time to Move”** Appeal!

We saw over \$32,000 come in through your generous donations. Every dollar of that will be put aside for this relocation project. This is great seed to launch [our new Building Fund](#), which you can give to any time (either through a one-off gift or a regular giving commitment) by clicking on the link on our website.

Moving a radio station is complex and expensive. While we don’t yet have a destination, we’re already planning for the project. Your partnership in prayer, giving, and offers of practical help will make sure that when we find our new home, we’re ready to make the move!

What's Happening?

- **Christmas—as best as we could!**

What is they say about the best laid plans of mice and men? As we approached Christmas it seemed that we were going to get out and about like in “normal” times. But then omicron raised it’s ugly head and things started to get shaky.

We were going to have our promotional stand at Erina Fair the week before Christmas, but that just proved a bit difficult to make happen so we pulled the plug.

We did get to do a Christmas Carols simulcast from Terrigal Uniting Church on 19 December. It was great to be partnering with the body of Christ again! The night was going really well (other than a few microphone glitches!) until a storm blew through and we had to do the quickest pack down in Rhema history!

We’re looking forward to working with many more churches throughout 2022 to help build back some momentum in community engagement, both for the churches themselves and for Rhema! We have really missed getting face to face with our community!
