TESTIFY!

2022 June Appeal

rhema.cc

Every year when we launch our June Appeal someone will ask us: “How do you think it will go?” And every year our answer is the same: “We have no idea!”

All we can do each year is let people know what the need is. We share our goals, our aspirations, as openly and honestly as possible, but we can never predict how our listeners and supporters will respond.

There are always things going in the world, locally, nationally and internationally, that influence people’s ability to give. And no doubt the last few years have tested the faith and resilience of all of us!

So while we didn’t reach our budgeted target of \$100,000 for this appeal, we are incredibly blessed and inspired that you have entrusted us with almost \$70,000 in generous donations! Thank you so much!

We know that every gift, small or large, came at a cost. Every gift was in it’s own way sacrificial. We recognise that, and acknowledge it.

In all things, and throughout our history, we have always proclaimed God as our provider. He has never let us down, and He never will. So we know that we can trust Him to continue to be our source.

Again, thank you to everyone who supported our June Appeal! We will honour your generosity by continuing to proclaim the love and truth of Jesus as widely and loudly as we possibly can, as we embrace the future directions that He is leading us into!

MEET THE TEAM!

For the next few issues of Airwaves we're going to introduce you to the team that makes Rhema.CC tick! In this issue we welcome our new RhemaBrekky team, and ask them 5 deep and revealing questions!

Mick Wright

1. Favourite food: Most things savoury, particularly olives!
2. Why Rhema CC?: Its a great ministry, and its fun being an on-air announcer.
3. Highlights of your time with Rhema: I've always enjoyed doing the Appeals each year. You get a chance to talk to a lot of different people, and of course see how God moves through faith for finances. And now doing breakfast radio again after a long lay off is certainly a highlight.
4. Hopes for the future with Rhema: I want to watch the ministry grow even more, especially in terms of a new premises. To grow the brekky show into something fresh and new, and to see other announcers join the team and bring their expertise and passion to the station.
5. Favourite movie or game: I'd like to learn how to play poker properly! 😊 As far as movies go, I don't have a favourite because there are so many I really like. If I have to go with one right off the bat, it would be the Aussie classic, The Castle!

Yvette McDonnell

1. Favourite food: I love a good vegetarian meal. Middle Eastern food has got to be the healthiest and tastiest cuisine. A bit of tabouli, homous and falafel with toum (garlic sauce) wrapped in warm pita bread is the perfect meal accompanied by a traditional lemon drink is the best!
2. Why Rhema CC?: I love the 100% Christian music, encouraging messages and passion for the gospel.
3. Highlights of your time with Rhema: Meeting lovely Christians.
4. Hopes for the future with Rhema: Have a really awesome Brekky show where people are encouraged and it gets them off to a great start for the day.
5. Favourite movie or game: Cinema Paradiso.
