NEW HOME UPDATE

By the time you read this we'll have left Erina and we'll be in our new home at 16 Dyer Cres, West Gosford! ***That's Rhema Central!*** Yay!

What a journey this has been, stretching us in every way possible. As always, it has taken longer and cost more than we had planned and hoped, but the results are outstanding!

As I write this the gyprocking is complete, the extensive painting has started, laminated glass has arrived for installation after painting, final electrical fitout and lighting will start in about a week, and then we can bring across all the broadcast, IT and office equipment. Then we can move in!

Once we're in there's a whole bunch of little (and not so little!) finishing off tasks like installing acoustic panels, setting up access and security systems, some more painting and decorating, etc, etc, etc!

We can't wait to welcome you to Rhema Central! Stay tuned for announcements about our grand opening coming up real soon, and you're welcome to drop in any time and take a look around.

And you can still give to our Building Fund to help us pay those last few bills. You'll find a link on our web site. Thank you!

MEET THE TEAM!

For the next few issues of Airwaves we're going to introduce you to the team that makes Rhema.CC tick! In this issue we catch up with sales guy, former Brekkie and now Drive announcer, Mick Eyers!

Mick Eyers

1. Favourite food: Chinese. Beef and blackbean or sechuan chicken.
2. Why Rhema CC?: Jesus is there. I wanted the worlds greatest boss... And I've got Him... And our 2IC is pretty good as well. 😊
3. Highlights of your time with Rhema: Hearing stories from those awesome members of our audience who were saved during some of their darkest days when things could have gotten really ugly... All glory to God.

And another... When sitting with Dr John from Creation Ministries International in 2022 in the main studio at Erina, during a thunderstorm, I had a feeling (Holy Spirit) that Dr John and I should take our headphones off. Within seconds of removing our headphones, lightning struck our building and a huge crack could be heard through the headphones a second or two later. Thank the Lord .

4. Hopes for the future with Rhema: To see as many Coasties saved as possible .
5. Favourite movie or game: Microsoft Flight Simulator.

June Appeal 2023

We've come a long way. We've got a long way to go.

Our 2023 June Appeal is just around the corner! With our new home comes a whole range of new and higher costs!. But they all mean that we'll be able to better serve God in our community and reach out with the love of Jesus and His message of hope, to impact more lives and proclaim him more loudly!

Tune in to hear about our Open Days, special guests, and a whole bunch of other exciting things that will be happening throughout the month. It's going to be our biggest and best ever!

Plan now to visit, and pray about how God would have you support us. Our June Appeal builds the base for meeting our operational costs over the coming year. It is absolutely critical to our mission!

It's your chance to make sure your friends and family can keep listening to the best Christian music and teaching possible, and that lives can keep being touched with the love of Jesus on the airwaves.
