Out & About

Simulcasting Impact Church Erina

It's been fabulous getting back out into our community!

We've been doing some church simulcasts and a bunch of promotional stands and outside broadcasts!

Here's some snapshots from those events.

Supporting the Fair Trade Market Day at Erina Baptist Church

We also sold out a 240 seat cinema at Events Tuggerah with the inspiring and challenging film, *The Sound of Freedom*. It was a great night with red carpet photos!

MEET THE TEAM!

*This edition we're bring you a message from our new Business Development Manager, **Janelle Knox!***

Well, they say things come full circle and it's fair to say I'm a prime example ☺

I started in Sales at Rhema Newcastle over 25 years ago, before moving into Advertising and Print Media with John Church Advertising, Communications Specialist at Compassion Australia, then establishing and running my own NFP, MICI Magazine, before returning to my roots at Rhema Central Coast in Business Development and Sales.

In my 25 plus years in ministry; telling STORIES has always been front and centre. Whether it be telling your brand, ministry or personal story, there is nothing I love more than helping to share the POWER in your story. What most may not understand is that advertising is simply understanding how to strategically position and communicate your story to a larger audience!

And I'm here to help you do just that.

Now more than ever before Rhema CC has the capacity to share your story, to our listeners, the broader body of believers and more importantly - our community.

Christian radio has exploded over the last 3-5 years and it's set to explode again. Recent studies conducted independently through McCrindle Research show on average our listening audience tunes in 10 X MORE than to any other local/commercial station. We are a trusted voice in the community and we'd love to strategically share YOUR brand, business or ministry story by positioning your message before ready ears, eager to hear and receive it!

I look forward to connecting!
