## Out & About

It seems like as each month goes by, there's more and more things happening that get us out and about in our community! And that's a good thing. We love it! If you've got something happening, let us know. Maybe we can be there and make it even better!

Here's just some of what we've been up to since our last newsletter:

- ◆ Premier Movie Screening at Event Cinemas Tuggerah of The Chosen Season 4.
- ◆ A couple of Bunnings BBQs at West Gosford
- ◆ Guest speaking at churches around the Coast.
- ◆ On-site broadcast from St Phillips Christian College Young Parents College Open Day.
- ◆ Simulcasting Good Friday and Easter Sunday Services.

# Five-Yearly Licence Renewal

As a community radio station, every five years we have to apply to the Australian Communications and Media Authority (ACMA) to renew our broadcasting licence. When we do this we have to prove that we are financially viable, complying with all our licence conditions, meeting all governance obligations, and have the support of our listeners, what the ACMA call our “community of interest”.

We have recently lodged our renewal application, the dreaded Form B66, and are confident of a positive outcome. We will be informed of the result of our application by the ACMA sometime before our current licence expires in October this year.

We want to offer a huge thank you to everyone who renewed their memberships or became members for the first time over the past few months. We were able to show the ACMA that we have a very healthy base of financial members, which speaks volumes to them about the support we have within our community, and your desire for us to continue to broadcast Christian radio to the Coast.

## Easter Colouring In Competition

We had a great response to our first ever Easter Colouring Competition!

With a total of 50 fabulous entries from children in the 3 age groups, it was really tough to select the winners.

Eventually, after much consideration and discussion, we settled on entries from Micah, Layla and Anaïs. They all received family movie passes from our great friends at Event Cinemas Tuggerah. Enjoy the movies guys!

A huge thank you to everyone one who entered, and if you didn't win this time, don't be discouraged! We'll be giving you more opportunities in the future.
